3. Market hogs must have been farrowed after Jan. 1.
4. No class changes on show day.
5. Market hogs will be placed in correct class after weighing. In the instance that a class is deemed excessively large, it will be left to the discretion of the show chairman to revise such a class to a more reasonable size.
6. All market hogs must be owned on or before May 31 of the current year and must be weighed and tagged by an official weigh committee in June at the first county weigh-in (Sheep and Swine Field Day).

This selection will be done in writing on the approved club form. In the event one or both of these animals doesn't meet club requirements for the livestock sale there will be no substitution. The only case where a substitution will be accepted is in the event the grand champion or reserve champion are not one of the selected animals (since grand champion and reserve champion must sell if they are club members).
9. Check in will be Monday morning after market hog weigh in, to be completed by noon. Registration papers for pure bred animals will be checked at that time. Individual papers must be supplied for each animal.
10. **Fitting and Showing:** 4-H members are responsible for fitting their animals and getting their animals to the show ring. If assistance is needed, they are to ask another 4-H member.
