RULES and REGULATIONS

1. All exhibitors must comply with General Rules and Animal Health Requirements.
2. Lambs born after Jan. 1, 2019, should not have tails docked shorter than the level of the distal end of the caudal tail fold. No measurements will be taken, however any sheep or lamb that exhibits a rectal prolapse will be ineligible for show and will be sent home. A "rectal prolapse" is defined as an inversion of the rectum that protrudes 4 cm (1.6 in.) or more outside the body and remains exterior to the body while the animal is standing. Lambs with purse-string sutures are ineligible for exhibition at 4-H shows.

3. No lambs exhibited in Breeding Sheep are eligible to show in market lamb classes.
4. Market lambs will be placed in correct class after weighing. In the instance that a class is deemed excessively large, it will be left to the discretion of the show chairman to revise such class to a more reasonable size.
5. For health inspection and grading purposes, all market lambs must be slick shorn from the hock up without butt wool within 7 days before arriving at the Montgomery County Agricultural Fair.
6. All market lambs must be born after January 1 of the current year and must be weighed and tagged by an official weigh committee in June at the first county weigh-in (Sheep and Swine Field Day). Castrated male sheep (wethers) and ewes are eligible for the market lamb division.
7. One entry per exhibitor in all group classes.
8. Senior ram and senior ewe lamb class: Born between Sept. 1 and Dec. 31 of the previous year.

12. All sheep must be on the grounds and checked-in with the superintendent(s) by 11am on Sunday, Aug. 11, 2019.
13. All sheep must display a reasonable level of cleanliness with sufficient water, feed, and hay at all times, or they will not be eligible to show. This will be determined by the 4-H Superintendent.
14. All sheep must be fitted according to breed specifications.

Eligible club members with a sheep and pig project will select only two animals of any combination (2 pigs, or 2 lambs, or 1 lamb and 1 pig). This selection will be done in writing on the approved club form. In the event one or both of these animals do not meet club requirements for the livestock sale, there will be no substitution. The only case where a substitution will be accepted is in the event the grand champion or reserve champion are not one of the selected animals (since grand champion and reserve champion must sell if the owner is a club member).
