
2019 FAIR PRESIDENT'S MESSAGE

Welcome to the 71st Annual Montgomery County Agricultural Fair.

I would like to thank our Board of Directors, our dedicated volunteers and hardworking staff, all of which play a vital role in the success of the Fair. Their hard work and commitment will bring you a Fair that will "Feed Your Senses."

The agricultural community plays a vital part in our economic health. The Montgomery County Agricultural Fair provides an agricultural education and an opportunity to interact with livestock, produce, bees and a variety of 4-H projects. It is our continued mission to encourage an education and promote agriculture in our community as well as promote the science and preservation of agriculture in Montgomery County. Our Fair provides the opportunity for members of 4-H, FFA members and the community to exhibit livestock, produce, crafts and art.

We invite you to explore all the 2019 Fair has to offer. We have one of the best carnivals on the east coast. Powers Great American Midways is a class above the rest, and we hope everyone enjoys their rides and attractions. Join us for the demolition derby in our Xfinity Grandstand and cheer on your favorite driver or watch a monster truck launch over crushed cars. Get hypnotized at our Pepco Community Stage or enjoy all the excitement the pig races have to offer. Savor an amazing grilled cheese at the Big Cheese Booth or indulge in a scoop of ice cream from the Dairy Barn. Take the kids to the KidZone or watch a live birth of a baby calf in Old MacDonald's barn in the Moo-ternity ward. There are endless rides, games and entertainment for all ages.

Thank you for attending the 2019 Annual Montgomery County Agricultural Fair. We welcome everyone to expand their education on the importance of agriculture and enjoy everything our Fair has to offer.

Carl Hobbs
President
Montgomery County Agricultural Fair
