RULES

1. Beef, Dairy, Sheep, Swine, Dairy Goat, and Market Goat Grand Champion Showmanship winners for the current year will be invited to participate in the Showmanship Challenge.
2. Each champion will provide the animal for their area of achievement. Superintendents will also select an alternate animal to be kept at ringside in the event that the animal is becoming stressed during the contest. The judge of the individual species and show superintendent can ask that an animal be switched at any time during the contest for the safety and well-being of the animal being used.
3. Each participant will show all of the different animals during the contest.
4. Previous participants of the Showmanship Challenge may show another species in the contest, but they can only represent any species once. The Fair office will keep a running list of all participants and the species they have represented.
5. A judge will be selected from each department and that panel of judges will select the winner based on a point system.
6. Gifts and Prizes will be awarded.
