

PIONEERS

2023 Pioneers Luncheon honors Pioneers & Supporters of the Montgomery County Agricultural Center and Fair with a special tribute to the Entertainment Committee and The Luther Family

Entertainment Committee

The Entertainment Committee was honored to be recognized at the Pioneer Luncheon at the 2023 Montgomery County Agricultural Fair.

We are thankful for the past and present Entertainment Committee chairs including, Roy Gregory, Micheal Hunt, Scott Brown, Carl Hobbs, Justin Hobbs, and JC Butts. These chairs have led and paved a good road to make it easier for us today!

The events in the grandstand are the highlight of the week for many fair patrons. We have hosted countless concerts, tractor pulls, demolition derbies, monster truck shows, and much more over the years! These events take many hours of preparation and work from our committee volunteers. Our committee members occasionally pull all nighters to make sure the infield is perfect for the events each night! But it is not just the grandstands that our committee volunteers are helping in. We help in areas all over the fairgrounds from setting up tents, moving benches in the cattle pavilion, to turning off lights at the end of the day. You name it, the Entertainment Committee helps!

These events would not be the successes they are without the members of the Entertainment Committee. We have members that have volunteered for 20 plus years to new faces that join every year. And its not unheard of for former chairs to jump in and help whenever needed.

The entire Entertainment Committee looks forward to helping every year and making fair week the best 9 days of the summer!

The Luther Family

A Little History

The Montgomery County Agricultural Center Inc. (MCAC) was formed as a privately operated 501(c) (3) non-profit organization on January 7, 1949, when a group of local farmers were elected as the first Board of Directors by the volunteer membership of the organization. The MCAC had recently purchased 64 acres of land adjacent to the railroad tracks from Herman Rabbitt, a successful farmer and landowner in Gaithersburg. On June 4th, 1949, hundreds of volunteers participated in after an old-fashioned barn raising and 12 outbuildings were constructed in one day. The site of the new Montgomery County Agricultural Center was created. Dedicated volunteers donated time, materials and talent to construct and continue operation of the Montgomery County Agricultural Fairgrounds. The Fairgrounds would not be what it is today if it were not for those visionary pioneers who were committed to agricultural education and family entertainment.

As is true today for the agricultural center, the volunteers were, and still are, necessary to the successful operation of the Fairgrounds, through continued contributions of materials and free labor for the construction of the new facilities, as well as upgrading the old. A network of more than 2,000 volunteers continue providing their time, making the agricultural center a vital part of the business community in Montgomery County. The nine day Montgomery County Agricultural Fair that is held in mid-August requires support from over 800 volunteers who assume the responsibility for organizing and producing the single largest annual event in Montgomery County. Thank you to all our pioneers who have helped make the Fair what it is today!

The Pioneers Luncheon is sponsored by: Montgomery County Agricultural Center, Inc.

The Montgomery County Fair officially opened in 1949. It was made possible by many volunteers, contributors, families, and government officials who, over the years continue to make the Fair a place for youth and others to gather and show results of their work, to enjoy camaraderie and to educate others about agriculture.
